Spelthorne Council Officers to give presentation on Cattle Grazing in Sunbury Park at this year's AGM

Although we are very fortunate that our meetings are generally well-attended by residents, usually because there is rarely a shortage of important issues to discuss. However, we always try to have a special feature at our Annual General Meetings to make them something of an occasion and to provide those who make the effort to come with some special insight or interest.

This year we decided to make Cattle Grazing in Sunbury Park our topic for a presentation and discussion, because not only is it clearly an issue which has caused residents some concern but also because there has been a distinct shortage of information and background available to residents.

When this proposal first came up a couple of years ago, as reported in previous LOSRA newsletters, Spelthorne's officers had undertaken to Friends of Sunbury Park that before any decision was taken, a consultation would take place which would involve bringing a couple of the cows in question into the Park for a week-end under supervision, with an associated exhibition of

the proposal's implications and Council officers and someone from Surrey Wildlife Trust, who manage the herd, available to answer questions. Unfortunately, for whatever reason, this didn't happen, and we understand that Spelthorne committed themselves to the scheme because there were deadlines for applying for the funding for infrastructure changes needed in the Park—gates, fences etc..

As a result there have been all sorts of rumours and misinformation flying around, and some worrying indications of shifts in position—for example, where originally the Friends of Sunbury Park were told that the cows could happily co-exist with dogs, story in Sunbury Matters with Spelthorne's Biodiversity Officer referred to restrictions on dog walkers.

We thought it was time to get everything out into the open and make all the facts, timings and implications available to residents, so this is your chance! Jackie Taylor and David Hicks from Spelthorne Council have kindly agreed to come to the meeting to give a presentation and answer questions. We are grateful to them for their input, and we are sure there will be a lively discussion.

LOSRA 40th Anniversary Garden Party Sunday 16th June 12-5pm at The Old Vicarage, Church Street

As noted in our Spring newsletter, LOSRA is repeating the Garden Party which we inaugurated last year in the grounds of the Old Vicarage in Church Street at the invitation of the owners Mr. & Mrs. Michael Heslop, who kindly made it available for a fund-raising event in appreciation of LOSRA's work on behalf of the community, and to celebrate LOSRA's 40th Anniversary.

Mr. & Mrs. Heslop have generously repeated the invitation this year, and since it was so successful, we are doing it again, on Sunday June 16th from noon until 5pm. This is Father's Day, so it's an opportunity for an enjoyable family occasion. Tickets at £5.00 may be purchased at Skinners Post Office in Avenue Parade or by using the secure PayPal facility on the LOSRA website at www.losra.org. Under 13s will be admitted free.

The offering will be similar to last year, with a few other attractions added, with a variety of food on offer, a bar serving Bucks Fizz and a variety of other drinks, tea and coffee. There will be stalls with various goodies for sale, 'live' jazz and classical music. Boat trips on the Thames from the nearby King's Lawn aboard *Jeff*, one of the Dunkirk 'little ships' will be a popular attraction.

The calls on LOSRA's finances have increased dramatically over recent years, primarily because of the need on occasions to call on special legal and consultant's advice and services over major planning and development issues where specialist help and representation was needed.

The opportunity to hold an event such as the Garden Party to raise extra funds is therefore very welcome, so we hope you will want to come and support it and participate in an enjoyable community gathering at the same time.

Please help us continue our work by paying your subscription

As we have pointed out in the article about the Garden Party, although LOSRA is financially in a very sound position, we are increasingly having to find quite large sums from time to time to pay for advice and specialist help in order to fight major planning applications.

We therefore need to ensure we have a solid "fighting fund" to ensure we are able to do this if things arise at short notice. Please help us by paying your subscription for 2013 of £5.00 using the form below or via the web site, or you can become a Life Member for £100.

Are you interested in joining the LOSRA Committee?

Two or three of our Committee members are standing down this year after many years of service, so we need some new Committee members who are interested in carrying on the work, that's now been going for 40 years, of protecting our area from inappropriate development and maintaining the quality of life in our community. This is even more important in the context of the changed planning regulatory environment and the difficult economic circumstances.

It doesn't require specialist skills or knowledge (although it's always useful if you have relevant professional expertise), just the commitment of some time, energy and a preparedness to participate in our discussions and campaigns, as well, of course, as a commitment to our objectives. If you are interested, please contact Colleen Cuthbert at colleen.cuthbert@btinternet.com or by telephone on 783606.
