Not just a tribute band but a veritable cavalcade of rock cameos, as a top class line-up performs not just Travelling Wilburys' material, but Roy Orbison, Bob Dylan, George Harrison, Tom Petty and Jeff Lynne repertoire as well. The seven-piece line-up includes Dzal Martin on guitar, originally with No Dice and now also with Terry Reid and The Equals, as well as the uncanny George Harrison persona of Glen Knowler, and Dave Collison recapturing Roy Orbison in startling fashion. They've been doing some high-profile gigs around the country, and will give us a really fun night. There's full info at www.tremblingwilburys.co.uk
