# Sunbury Lock Island Action Day

Get involved in your local waterway!

Come and help Thames21 improve Sunbury Lock for people and wildlife.

This is a great opportunity to learn about the environment, spot wildlife and meet new people.

We will be removing litter and managing vegetation.

All you need is some time and energy, and to turn up ready to go!

**When: 18 February 2012  
10.00pm - 1.00pm**

**Where: Footbridge by the lock-house KT12 2JE**
